Subject: McDermott Visit, Catch-Up Meeting
Attachments: ATT00001.txt

We'd be happy to host.

On another note, were we planning a team meeting prior to Dr. McDermott's visit? Seth sent me an email and though I may have written it in my notes, I never did send a meeting request. I feel there is much benefit (at least for me) of having more frequent meetings. If no one is opposed, could we have a catch-up next week?

Thanks – and sorry for not scheduling sooner.

Importance: High

Hello: Dr. McDermott is available to meet with the Health Study group at 8:30 a.m. or 11 a.m. Oct. 19. A one-hour meeting would be best for her – she has a 10 a.m. meeting that day in Uptown Butte that won't last very long – thanks for letting me know your availability asap – Josh, would AR be able to host?

Thanks Karen,

That would be wonderful if you could coordinate a meeting between the group and Dr. McDermott.
